Introduction to Precision Abrasive Grinding for the Twenty-first Century: How to Do It, How to Increase Productivity, and How to Increase Profits

D.I.T. Is One of the Most Unique Sources in USA for Industrial Diamond Products, Precision Abrasive Grinding Products, Related Systems, and Equipment	25
“E Pluribus Unum” Re: Precision Abrasive Grinding Machines, Related Systems, CBN, Diamond, and Abrasive Products	26
Hot Rods Are 1950s’ Street Rods... Engineered (Souped-Up) Precision Grinders Are Now the Increased Profit Precision Abrasive Grinding Centers	29
Diamond Industrial Tools.Com Today Is a Vertical World Class Distributor for Precision Abrasive Grinding Applications	31
D.I.T.’s Goal and Purpose Is to Increase Your Productivity in Precision Abrasive Grinding Applications	32
Precision Abrasive Grinding Is the Removal of Hard and Abrasive Materials to Precise Dimensions and Low Surface Finishes.....	34
2010 Greetings to Our Vendors, Suppliers, Manufacturers, Service Companies, and to All Who Work with Us to Inform, Apply, and Supply Our Thousands of Prospects and Customers	36
800-227-5905 Gets You to One of the Largest Rotating Inventories for Conventional, Semi-Superabrasives, (3M Ceramic and SG) Superabrasives, CBN and Diamond Mandrels, Saws, and Wheels in the US	38
Precision Abrasive Grinding is a Profit Center	40
What’s New in Precision Abrasive Grinding for 2010?	43
Optimizing Precision Grinding	46
D.I.T.’s “Tech Services” Department	48
Precision Abrasive Grinding and the Internet (The Web)	50
Precision Abrasive Grinding Upgrades	51
Precision Abrasive Grinding Wheels and Paintbrushes	54
Does the Seller Sell or Does the Buyer Buy?	56
“Hot-Rod” Precision Abrasive Grinders	59
Precision Abrasive Grinding with Conventional, Ceramic, and Superabrasives	61
Mental Determination Needed in Precision Abrasive Grinding	63
Precision Abrasive Grinding is the Material Removal Process Which Has and Is Being Challenged	65

Precision Abrasive Grinding Directive Challenge	67
Industrial Abrasives and Their Potential	70
Precision Abrasive Grinding is a Profit Center	72
Productivity vs. Cost in Precision Abrasive Grinding	74
Precision Abrasive Grinding Application Information	76
Here Is How to Upgrade Your Precision Abrasive Grinding!	77
All Customers of D.I.T.: For All Purchases When You Need Extended Terms, We Can Be There for You	80
The Precision Grinding Application Is Everything	81
Did You Like Our Service and Products? Yes! Then Please Tell Others About Us	82
“Tech Services” Department at D.I.T.	83
Abrasive Hindsight Is 20/20	85
Precision Abrasive Grinding Wheels Are Not a Commodity	86
Little Known Procedures in Precision Abrasive Grinding Which Are Overlooked or Unknown	88
“If It Ain’t Broken, Don’t Fix It.”	92
Man’s New Abilities to Do Precision Abrasive Grinding	95
Bill Gates, Microsoft, and the Internet Are the Benefits to Be Used for the World Around Us	97
Evolution and Progress in Precision Abrasive Grinding Is Underway	99
